

CompHealth representatives understand the importance of capturing every available revenue dollar for temporary physician services.

# How to Bill for Temporary Physician Services

Ask your CompHealth rep to help you determine the billing method that works best for you.

START HERE

## Additional physician services

Billing for services *in addition* to those provided by on-staff physicians

### Begin standard payer enrollment

Enroll physicians using standard Medicaid and private payer process\*

Use Medicare contractual arrangement guidelines given in section 30.2.7 of the [Medicare Claims Processing Manual](#). Have NP and PA complete Medicaid and private career applications and [Medicare form 855R](#).

## Replacing physician services

Billing for services *replacing* those provided by on-staff physicians

Are replacement physicians working more than 60 days?

YES

NOT SURE

### Begin standard payer enrollment

Bill Medicare with code modifier Q6 for up to 60 days if necessary

NO

### Bill Medicare with code modifier Q6

(Medicaid and private payers may require standard enrollment)

Follow both procedures simultaneously

Use Medicare locum tenens guidelines given in section 30.2.11 of the [Medicare Claims Processing Manual](#) with HCPCS code modifier Q6 instructions

\* Billing for Medicaid and private payers varies from state to state and carrier to carrier.
