

9 mistakes recruiters make when hiring locums

01

Accepting every candidate an agency sends you

02

Not screening locums like perm candidates

03

Assuming every locum tenens agency is the same

04

Forgetting the agency works for you

05

Staying with an agency you're unhappy with

06

Thinking the agency always has your best interests at heart

07

Not allowing enough time to hire a locums provider

08

Failing to negotiate prices and contracts

09

Not learning from your mistakes
